

## **27B What needs to be done to conserve Sandon**

- 7 Improve pavements, grass area, Hall Lane could be improved
- 33 Repair and maintenance by council need to be more prompt
- 125 Road improvements in Hall Lane, seating around pond and area in Cards Road tidied
- 143 A decent village pub/grocery/post office - all in one
- 146 Signage needs improvement to restrict heavy vehicles
- 153 It would be nice to see less cars parked on the roads - it is a car park at times
- 159 Rerouting traffic from South Woodham Ferrers using East Hanningfield Road
- 162 The pylons, substation etc should be removed from the vicinity of the school
- 179 No further development, remove industrial area from Mayes Lane
- 208 Retain trees and hedgerows. Reduce traffic/lorries
- 211 Publicity
- 225 The green is not mowed adequately (cuttings should be picked up)
- 226 More litter picking needs to be done, extensions should be closely looked at
- 238 Hedges need cutting. Clearing of cars. More car park areas in Hall Lane
- 242 This area needs to be preserved planning should have utmost scrutiny
- 255 More parking needed - cars are parked on the paths
- 269 Too untidy including Brook. Should be no parking on grass verges
- 289 No more houses, keep fields to separate Sandon and Great Baddow
