

## 66. Where should any development be

North of village towards park and ride

Near the Park and Ride to try and keep extra cars off the road

Northern end of parish - west of A12

Between Sandon village and Park and Ride

West side of Brick Kiln Road

Near flood plain (Sandon Brook)

Brick Kiln Road

Land adjacent to Brick Kiln Lane

Between the park and ride and the village

Along A414 but not on Sandon side

Somewhere adjacent to Park and Ride

Outside the Park and Ride boundary

Adjacent to Park and Ride (eg alongside Brick Kiln Lane)

Brick Kiln road at top and opposite Molrams Lane

Off Maldon Road near to Park and Ride

Land between Sandon and Great Baddow

Near Molrams Lane and away from village

Near the two bridges in Woodhill Road

Towards Danbury and past the Dog Unit

Within the envelope of the existing buildings, eg. Gardens

Within existing village boundaries

Cards Road

Rectory fields off Hall Lane

Between A12 and the village or at Howe Green in Sandon Hall Road

Outside of parish. Main village.

As far away from the village as possible

Furthest away from the centre (green)

Affordable housing - edge of village and Howe Green

South of Howe Green adjacent to A130

Beyond Howe Green

Between Howe green and East Hanningfield

Sandon Quarry

Near quarry - away from the main village

Butts Greenb(x2)
