

General

67 Where should development NOT be placed

2	Dependent on what development proposals are to be considered.
25	Between E H Road and Sandon Village and E H Road and Kelly's
35	In areas that have not been developed
36	In the area between E H Road and Woodhill Road
56	Southend Road as traffic flow would go back to what it used to be before the traffic calming etc.
59	In south/central and eastern rural areas
61	In the fields between Sandon and Chelmsford
66	Anywhere
68	Not in view of church and pub, not in Mayes Lane, Sporhams Lane, Butts Green, Great Gibcracks
81	In areas away from public services
82	Where it would destroy wildlife and its habitat
86	Between Molrams Lane and Brick Kiln Lane
87	Anywhere that would encourage more traffic on Southend Road or East Hanningfield Road
102	Near the village and surrounding countryside
103	Nowhere
105	Any agricultural fields surrounding the village and Woodhill Road.
113	In the conservation area, green belt
122	Near pub on the green near church
123	Strongly disagree with any large development
128	No development in Sandon Parish
133	anywhere
134	Prefer not to see Brick Kiln Road developed
137	Anywhere else save for infill in the ribbon development
142	On the village playing fields and near the school
152	There is no space left without damage
153	as above
155	No development should take place west of the village

166	Fields that run either side of Brick Kiln Road and field with entrance from Cards Road
179	Along A414 but not on Sandon side
193	Near the centre, ie village green
194	All over
195	Aopn space by the lintons and Glebe playing fields
197	Planning dept has the final say, not Sandon residents
198	NOWHERE!! Leave as it is thanks.
201	Anywhere within the Park and Ride boundary and A12
204	In front of my house! Lintons Conservation Area.
208	Playing field near Lintons Off Brick Kiln Road
209	Lintons
212	Near Brick Kiln Lane - open to larger development
215	All fields surrounding village
217	as above
219	Either side of Brick Kiln Lane
224	Nowhere
227	Village centre, conservation area. Not in surrounding open fields.
231	Sandon
235	Anywhere
238	Not in fields at the back of Hall Lane or Cards Road
239	Any existing road used as an entrance to the development Molrams lane towards A12
254	On the green belt and open spaces
255	Hall Lane
256	Near overhead pylons (electric)
257	From Howe green Bridle path down to Howe Green Farm
259	Not adjacent to A130 (old road). Now much easier to access following new A130.
264	In the village itself as little room left.
269	On green sites or agricultural land
272	Do NOT use existing farmland etc

275	Village
276	Hall Lane/Quarry or fields behind Woodhill Road
277	Open farmland which would impair peoples views who already live there
286	On the land facing Molrams Lane or the land behind Hall Lane that goes down to the brook
294	Internall
